In the list of contributions to the Red Cross Fund from the Falkland Farmers' Club, the following names were inadvertently omitted—John McGill \$5, Morley Showers \$1, Wm. Souther \$1, G. Rehder \$1, Miss Sharp \$2. The following names appeared in the wrong column, having contributed \$2 each—W. Howell, J. Johnston, Owee Barker.

On Monday Mr. N. P. Sayles, of Blue Lake Farm, South Dumfries, picked quite a number of choice strawberries from his acre patch. He sold some boxes in town and generously remembered the editor, some of the berries measuring 3 1/2 to 4 inches round. They were the "Bamper" variety, and quite a number of plants were in blossom. Mr. Sayles also cut a second crop of Timothy hay, drawing in three good loads from 1 1/2 acres.

From time to time in these columns has the public been warned to keep off the railway tracks. The advice is good and worth respecting. Anyone who walks along the railway allowance is simply taking his life in his own hands and there is no cause for complaint if he is killed while

Trafalgar Day In Paris

Pressure on our space prevents us giving a detailed report of the meeting held in the council chamber last night to organize for canvassing the town and raising funds for the British Red Cross Society to relieve the sufferings of soldiers and sailors wounded in battle or through sickness. Trafalgar Day, Thursday, Oct. 21st, has been set aside for that purpose, and at the meeting committees were appointed and the town divided into districts, which will be thoroughly canvassed. Mayor Patterson presided, and the gathering, although not large, was representative. The following officers were elected:

Chairman—Mayor Patterson.
Vice-chairman—Mr. John Harold.
Secretary—Mr. D. H. Downie.
Treasurer—Mr. A. E. Finemore.

Men's committee—Messrs. John Harold (convener), Dr. Lovett, Thos. Evans, T. S. Davidson, H. Rehder, J. L. Thompson, Jas. Sinclair, E. T. Hicks, C. B. Robinson, J. K. Martin, D. H. Downie, J. P. Nunan and H. Sanders.

Ladies' committee—Mrs. Lovett (convener), Mrs. Harold, Mrs. Carruthers, Mrs. Hicks, Mrs. Davidson, Mrs. Emerson, Mrs. Sanders, Mrs. M. Deans, Mrs. Thos. Mauer, Miss O'Brien and Miss M. Martin.

The amount aimed at is \$2000. Of this amount \$139 has already been contributed. The daughters of the Empire giving \$108, which was left over after the purchase of the machine gun, and \$31 collected at the union service held in the Presbyterian Church on Thanksgiving Day.

Saturday, Oct. 16th, was set apart as Tag Day, when the school children of the town will do their part.

On page 8 of this issue will be found an advertisement which thoroughly explains the needs of the Red Cross Society.

Germany Defeated and Divided

The following article predicting the fall of Germany will be read with interest at this particular time by many. This remarkable forecast was first published in "Signs of the Times" in 1871, and has recently been reproduced by "The Faith."

"Let it be noted that we gather most assuredly from prophecy that within a few years' time a gigantic conflict and stupendous struggle has to be fought out to the death amid scenes of carnage and bloodshed far surpassing the Franco-Prussian War between the Germanic nation on the one side and France and some of the Roman, or Latin nations, on the other side, with such decisive results that Germany will be completely defeated, and driven altogether across the Rhine; so that all the left bank of the Rhine, including Belgium, Luxembourg, and the Rhine provinces will be annexed to France; for the predicted revival of the Roman Empire necessitates the extension of France to the Rhine as its original frontier.

"But what scenes of slaughter, butchery, and desolation must be witnessed in Europe in order that the predestined events may be all fulfilled! With what desperate fierceness and unconquerable determination to die rather than surrender will not the Germans fight, before they yield up the impregnable fortresses of Metz, Strasburg, and several other Rhine fortresses, which they have lately gained after protracted sieges."—Jan. 2nd, 1871.

And in May of the same year

(1871):—"Few things can be more astonishing than that we have every reason to expect (prophecetically) that France, which is now considered to be of little account

Presbyterian Anniversary

The anniversary services in connection with the Presbyterian church will be held on Sunday next, October 17th. Rev. R. J. McKerrill, of West Toronto, will have charge of the services throughout the day. The offertory it is hoped will be exceptional and the Finance Committee is asking that it reach \$1000, as this sum is urgently needed. On the following Monday evening, October 19th, the ladies of the church will serve their annual supper in the diningroom from 6 to 8 o'clock, followed by an organ recital and concert in the church. A very cordial welcome is extended to all.

DEAGLE-OVERBAUGH

A very pretty wedding took place on Wednesday afternoon, October 6th, at "Spruce Lodge," Brantford township, the home of Mr. and Mrs. R. J. Crozier, when their sister, Miss Hazel McIntosh Overbaugh, was married to Mr. Laurence LeRoy Deagle, of Caledonia. The ceremony was conducted by the Rev. H. C. Nicholson. The bride, given away by her brother, wore a gown of white brocaded silk, with bridal veil and orange blossoms, and carried orchids and lily-of-the-valley. Her only ornament was a sunburst of pearls, the gift of the groom. Miss Lenora Coagie, sister of the groom, was bridesmaid, and wore pink crepe-de-chene with velvet trimmings, and carried pink roses. Mr. Roy Harris was best man. The wedding march was played by Miss Ethel Crozier, as the bridal party took their places. After the ceremony a dainty repast was served to the happy couple leaving later for Port Rowan on a short honeymoon, from which they will return to their home near Caledonia. The bride travelled in a navy blue suit, with large hat trimmed with plumes. The groom's gift to the bride-maid was an emerald and pearl brooch and to the best man a pearl tie pin.
