

April 23/96
(G.R.D. 1996)

Dear Trish,

Just thought I'd write and send along
the wee bit I do have in the hope that we
might find some connection here.
I'm sorry I don't know anything else about
siblings, etc.

If you do find a link please feel free to
write and maybe we can coordinate our
research efforts. Good luck!

Yours Truly
