

**27** *St. Andrew's Presbyterian Church.*

In 1837 the Presbyterians, with the Rev. Dr. Thornton as pastor, built a brick church on a site which is now part of the Union Cemetery. In 1861 the Whitby and Oshawa sections separated and the Oshawa group built the above church in 1862 at the corner of Simcoe and Bruce Streets. This church became too small and in 1899 under the Rev. Mr. Hodges was torn down and a new church built on the same site — the present St. Andrew's United Church.
